NONRESIDENT TRAINING COURSE (NRTC) ADMINISTRATION

1. The change in NRTC administration announced by NAVADMIN 0333/00 (https://www.advancement.cnet.navy.mil/products/web-pdf/cent_enr_ltr.pdf) is complete. NRTCs may be obtained from and graded only by NETPDTC and are no longer available via the Supply system.
2. Commands should document course completion in the service member's record using the completion letter issued to the individual by NETPDTC as verification. NRTC completion may also be verified via the "Command Representative" function at the following Web site: <https://www.courses.cnet.navy.mil/>.
3. Obsolete NRTCs and all answer keys should be disposed of IAW applicable destruction procedures. A listing of current NRTCs and enrollment and course completion procedures are provided in the *Catalog of Nonresident Training Courses*, NAVEDTRA 12061, which is available on the BUPERS CD-ROM and at the following Web site: <https://www.advancement.cnet.navy.mil/>.
4. These changes to the NRTC program will assist in removing the administrative burden from commands while ensuring the NRTC program remains responsive to the needs of Sailors and commands.
5. For information, contact Fleet Services at (850) 452-1001, ext. 2073 (DSN 922) 1001, ext. 2073 or e-mail: <mailto:fleetservices@cnet.navy.mil>.

COMPLETING COURSES

- Students may refer freely to texts and reference materials when answering course questions.
- Students may seek advice and instructions from others, but answers must be their own.
- Students are prohibited from referring to or copying the answers of others, or giving answers to anyone else taking the same course. Failure to follow these rules may result in suspension from the course and disciplinary action.

NONRESIDENT TRAINING INFORMATION

Nonresident Training (NRT). Training that takes place outside the institutional (resident) training location.

Nonresident Training Course (NRTC). A self-study package designed to help a student acquire Navy professional or military knowledge. The package normally consists of a course text and a set of course assignments, and may be delivered in hard copy, electronically, or both. In some cases the text for an NRTC may be an existing manual, instruction, or an off-the-shelf commercial textbook. An end-of-course test (EOC) may be included for some courses.

NRTC Content. Some NRTCs are occupational; that is, they are developed for specific ratings (e.g., MN, BM, QM, etc.) or communities of ratings with shared occupational knowledge (e.g., electricity/electronics: ET, EM, AT, STG, etc.). Other courses cover military knowledge information and are applicable to all ratings. Both occupational and military knowledge NRTCs often refer the learner to other publications for additional or detailed information.

Special Publications (SP). SPs are manuals or catalogs that provide information of general benefit to the performance and career development of Navy personnel. SP publications do not have associated course assignments or EOC tests nor is credit given (a page 4 entry).

Errata. Errata are often used to correct minor errors or delete obsolete information in an NRTC or text/assignment. Errata may also be used to provide instructions to the student. Errata can be accessed for view/download at: <https://www.advancement.cnet.navy.mil/>

Credit for Course Completion. To receive credit for completing an NRTC, the student must achieve an overall grade of at least 3.2. Overall grades are calculated by averaging individual student assignments. In some cases, an EOC test may be administered to receive credit.

Administration of NRTCs. NETPDTC Nonresident Training Course Administration administers NRTCs. Central Course Administration performs the administrative functions of registration, course material issue, grading, and reporting and recording results.

Students enroll at NETPDTC for **unclassified courses** through <https://courses.cnet.navy.mil/> **Classified courses** are obtained by local commands for students. Local commands must enroll students by naval message or by command letterhead signed "By Direction".
